You will be taken to the following page:

The screenshot shows a user interface with two blue buttons at the top: "My Account" and "My Cart (0)". Below them is a message: "We are in the process of upgrading our ticketing system. If you have previously purchased tickets with us you may need to click the reset password button to log into your account." Underneath is the instruction "Please log in or register to continue." followed by a label "Email address or account number:" and a text input field. Below that is a label "Password:" and another text input field. A checkbox labeled "Stay signed in" is present. At the bottom are three buttons: "Log In" (blue), "Register New User" (blue), and "Reset Password" (orange).

Click the orange "Reset Password" button. You will be taken to the following page:

The screenshot shows a user interface with two blue buttons at the top: "My Account" and "My Cart (0)". Below them is the instruction "Please enter the email address that you gave when registering for ." followed by "An email will be sent to you to let you reset your password." Below that is a label "Email Address" and a text input field. A small pink button is visible below the input field. At the bottom is a blue button labeled "Reset Password".

Enter your email address (the email address that is registered in the system is the same email address that received this email), then press the "Reset Password" button. An email will be sent to you with a link, and instructions on how to reset your password, which will look like the following:
