Terms and Conditions: 2022 Bathurst 12 Hour

The team principal is responsible for the full payment of fuel used by the team during the event. **All fuel must be signed for by an authorised team member.**

RaceFuels will supply your team with the volume of fuel required, there is no need to order your volume in advance, you will only be charged with the fuel you receive.

Credit card details lodged on the fuel registration form will be used to obtain full payment within 14 days post event

The team does not have to purchase a full 200litre drum at every transaction. Part drums may be ordered.

Once a team member has removed the cap seal of a drum, the team has purchased the contents of the drum. It is the team's responsibility to ensure that all crew members understand not to remove the cap seal until the fuel is required.

RaceFuels will credit back in full for returned **sealed** 200litre drums.

Due to quality control concerns, RaceFuels **can not** simply credit or refund unwanted fuel post event. Fuel remaining in open drums (without cap seal) can be sold back to RaceFuels at the following rates: 98 RON @ \$1.25 per litre, 102 RON @ \$3.50 per litre.

RaceFuels will provide an exchange receipt for unwanted fuel, This receipt confirms the transaction. **No receipt = no exchange.**

Any fuel left unattended post event without an exchange receipt is surrendered back to RaceFuels, clean up charges may apply to teams who leave fuel or waste product behind.

RaceFuels must be notified before **8pm on Sunday night if a fuel collection** is required.
